

Have a fun time! Adults my come too. Your kids will truly enjoy a week at my camp! There will be games, learning, movies, and more!

Sports: Let your child have fun with sports! They will get more active in sports. They might make some new friends!

Arts & Crafts: Your child will be able to bring their artwork home. They will do pottery, and painting.

Free Time/ Decorating their Cabin: They will be able to play what ever they want or decorate their cabin. This is their time to be creative!

Math: My experience instructors will review math so they are ready for the next grade. They will also have plenty of games with math.

Social Studies/ Science: They will review our these subjects. They will also have a lot of experiments.

Cooking/ Board Games: Your child will either help cook dessert for the camp or play board games. Who knows they might want to share the experience with you.

Movies: The group will vote on a movie PG or G. I will make sure everyone is happy!

Your children will love their own room! They will have a bath tub in their bathroom and a twin size bed in their room. It will almost be like home! I have also saved some time to let them decorate their cabin as much as they want! You can spend a week not worrying about your kids!

My camp for one week is \$1,000

On the last day your child will not have the usual schedule.

My camp has a few special features, a indoor swimming pool so your child can practice their swimming during the summer,
